

GRACE! LIVING!

Living Lives That We Don't Deserve: Part 19
Ephesians 5:22-33

1. Marriage is the design of God

A. God created Adam from dust

B. God entrusted Adam with dominion

The highest heavens belong to the LORD, but the earth he has given to man. Ps. 115:16

C. God completed Adam with Eve

Adam was satisfied but he was not sufficient. Eve was created by God to help Adam in the mission God had given him.

D. God commissioned a process of submission.

The man is to be subordinate to God.

The woman is to be subordinate to the man.

2. Marriage is the display of God

A. Wives love your husbands like the Church loves Christ

B. Husbands love your wives like Christ loves the Church.

Do you want a marriage that displays the glory of God or distorts it?
